A Journey to Excellence
through Science

ByDesign Science Kits GRADES 1-8

Science Kit supplies are now available as Line Item Orders.

Whether you are a traditional or multi-grade classroom, complete Kits and Kit supplies are available for ordering. Each grade-level Kit contains the items you will need to complete the inquiry labs in your classroom. These Kits ensure that you are prepared for any inquiry labs throughout the lessons and that the materials used are safe for all students.
