

# By Design

A Journey to Excellence through Science

# Fall 2015-16 School Year

## Limited Time Offer for the *By Design* Student Science Journals!

Now available in online digital license agreements!

Limited Time Offer!

The **Student Science Journal** is an integral component of the *By Design Science* program.

### The Student Science Journals include:

- Additional inquiry labs that cover critical concepts.
- Lifestyle Challenge and an Open Inquiry that spans the duration of the unit being studied.
- Worldviews that support the faith-based philosophy.
- Faith Connections and Home Connections are featured for each chapter.
- End of the unit reviews for grades 1-4 and grades 5-8.
- Engineering Practices that are featured at the end of each unit.

### Traditional Student Science Journals

### Multi-Grade Student Science Journals

## Cost Savings of over \$1,000!

For example, based on traditional classroom, 10 students per grade level for grades 1-4 over 5 years.

**Student Journal Grades 1-4**

**Print \$3,200<sup>00</sup> | Digital \$2,000<sup>00</sup>**

**Please see attachment to calculate your potential cost savings.**

## Digital License Cost

Grades 1-4 **\$500.00/per grade level**

Grades 5-8 **\$700.00/per grade level**

Multi-Grade 1-4 **\$1,100.00\***

Multi-Grade 5-8 **\$1,500.00\***

*\*includes all four cycles*

### Limited time offer until July 31st, 2015. Digital Licensing Agreement includes:

- 5 years from date of purchase
- One license per grade level for each school building

*Process: Upon purchasing the grade level license a confirming email will be sent to your school administrator granting permission to access the journals as identified with purchase. Content is to be used for the sole purpose of classroom use at the designated address of the school building. All digital only products are non-returnable.*
